KEYSVILLE CHRISTMAS PARADE

PARADE GUIDELINES & JUDGING CRITERIA

PARADE DAY RULES & LOGISTICS

• **Evening Lighted Parade:** This is an evening parade; therefore, festive lighted decorations are essential on all entries (vehicles, floats, marching groups, etc.). Overall design, decorations, and seasonal lighting factor heavily into all judging scales.

• **Strict 'No Santa' Clause:** You are not allowed to include a live Santa Claus in your individual entry. The official parade Santa will ride exclusively at the very end of the parade layout. We strictly enforce this to avoid confusing children.

• **Strict 'No Horns or Sirens' Rule:** To allow attendees to hear musical talent, singing ensembles, and bands, please do not blow any loud vehicle horns or trigger emergency sirens anywhere from the line-up zone through to the end of the route.

• **Candy Policy:** For safety reasons, you are permitted to toss candy safely downward toward curbside spectators. Avoid launching pieces far into crowds or drawing children into active vehicle lanes.

• **Line-Up & Route Info:** Entry staging begins promptly at the Wayland Nursing Home grounds and continues systematically onto King Street, Mary Knoll Lane, and Southern Drive. Note that Southern Drive will be converted to one-way traffic entering via the lower end (Ontario direction).

• **On-Site Personnel:** Numbered stakes will mark pre-assigned lane deployment positions. Volunteer firemen will be working throughout the area—please follow their instructions implicitly.

• **Judges' Stand Stop:** When your entry reaches the main grandstand, please come to a brief stop for a few minutes. The panel of judges requires a brief window to properly view, evaluate, and score your setup.

OFFICIAL JUDGING CRITERIA (0 - 5 POINT SCALE)

Entries wishing to be evaluated will be graded on a comprehensive 0 to 5 point scale by our panel across the metrics outlined below:

Bands / Marching Units	Vehicles, Big Rigs & Tractors	Floats (All Categories)
• Musical content & ability • Uniforms & appearance • Precision marching alignment • Drill or specialty routines	• General vehicle appearance • Overall cleanliness • Seasonal decorations & lighting • Creative use of music/lights	• Adherence to holiday theme • Creativity & uniqueness • Costumes match selected theme • Integration of lights & music

Thank you for abiding by these guidelines to help keep everyone safe and have an enjoyable parade!
